After winning his class at the 2014 Midwest Stud Ram Show, E-ROC has continued to prove himself as a winner. In just two breeding seasons, E-ROC has sired numerous bucks being used throughout the country, hung several major show banners, countless district and county show winners, and dominated the Hampshire Divisions at Sedalia in 2014. E-ROC breeds very true to his pedigree, stamping every one of his offspring with the Authentic look and Untouchable power. The 2015 breeding season will be your first chance to let E-ROC stamp your flock. DON'T MISS OUT!
